

Tecumseh Team Quest

Preparing for your Team Building Event:

Tecumseh Team Quest is located on the property of **Indian Creek Camp and Conference Center**. The meeting facility is centrally located in the campground with modern restrooms nearby. As you arrive at ICC you may be instructed where to park by the campground staff, carpooling is recommended. Everyone will meet in the Pavilion for a morning snack and TTQ orientation. This 'headquarters' is where we will complete many ground initiatives and break for lunch. The rest of the TTQ courses (Low/High Ropes, Climbing Tower/Zip Line and Leap of Faith) are set along the nature trails in the woods. There is a port-a-pot near the Zip Line. Do not worry about getting photos, we will capture as many memorable shots as we can including GoPro video and will share them with the group after the event. This allows all team members to stay present and active throughout the day.

Bring lots of energy and enthusiasm; because today, anything is possible!

What to wear:

Comfortable closed-toe shoes or boots.

Comfortable clothing appropriate for the weather (we may operate in the rain – ponchos/rain jackets recommended).

Hats/Sunglasses or Prescription Glasses are recommended but may require being set aside during certain activities.

Long hair should be pulled back - required during certain activities.

Do not wear jewelry, watches, headphones or Bluetooth devices.

Cell Phones should not be used during the team building program.

Bags/Purses may be brought if desired (lock in car or in our storage room when we leave the pavilion area).

Epi Pen/Insulin/Inhaler users must remember to bring it with them (we can hold it in our first aid kit if desired).

Deodorant (you may want to bring it along as we are active all day and do share personal space).

What to expect:

Unpredictable weather (wear layers and remember your rain gear)

Bugs/Bees (Bring your favorite Bug Spray so you can reapply it – we will have some on hand as well)

Sun (Bring your favorite Sunblock to reapply it)

Drinking water is provided at all times.

Catered Lunch provided – please share with us any food allergies or preferences in advance.

An Amazing Outdoor Experience!

Remember, we are going to be out in nature all day. If you have any questions or concerns, please contact us early.
